

The background image shows a dimly lit restaurant interior. Several tall, slender glass vases filled with holly branches and red berries are arranged on a table. In the foreground, there are several glass domes (cloches) containing various festive items like dried herbs and small figurines. The overall atmosphere is cozy and festive. The text 'ALCRON' is prominently displayed in the center, with 'RESTAURANT' below it. At the bottom, the text 'FESTIVE SEASON MENUS 2023' and '25 & 26 DECEMBER' is written. The entire image is decorated with small, white snowflake icons scattered across the frame.
